## Overview

The November 10th, 2023 Velocity Broker Release includes enhancements to:

- Custom Import Tool Page Update

## Custom Import Tool Page Update

### Streamline Your Data Import with our Custom Import Tool!

Our Custom Import Tool allows you to easily import leads, contacts, or deals from any spreadsheet.

We have made updates in Velocity to provide you with all the information right at your fingertips. Directly on the importer page, we have added a step-by-step guide for you to easily access.

The screenshot shows the 'IMPORTER' page with the sub-header 'IMPORT YOUR DATA INTO VELOCITY'. A purple arrow points to a 'Learn How!' button next to the text 'Ready to Import?'. Below this is a section titled 'Select and Upload Your Data' with two main steps:

- 1 Select Data Type**  
Select type of Data you want to import:
  - Deal
  - Contact
  - Lead

*Expert Data is always 'Deal'*
- 2 Select Data Source**  
Choose Expert or Create your own Custom Source
  - Expert (Consolidated)

## About Us

As a smart man once observed; “An object in motion tends to remain in motion along a straight line unless acted upon by an outside force.” **We’re that force!** The force that moves you from that straight, flat line to increasing your sales, improving your clients and lender’s satisfaction while reducing your cost, time and aggravation. Our goal is fulfilling your needs and exceeding your expectations. Newton provides a complete range of hosted and licensed system solutions capable of achieving seamless straight through processing of mortgage applications from initial customer enquiry to final mortgage advance.
